It is easy to look at a place such as Allegheny Cemetery in Pittsburgh's Lawrenceville neighborhood and think that it encompasses strictly the dead. But a closer look reveals many lives and stories told throughout the pages of time by those who have lived them. To define Allegheny Cemetery as simply a place does not do it justice. It is not only a physical location, but a crossroads in history, and a point in time where each of these lives converge. *Images of America: Allegheny Cemetery* shares these legacies with the hope that present and future generations will do the same.
