Darfur: A New History of a Long War (African Arguments)

Julie Flint, Alex de Waal

Darfur: A New History of a Long War (African Arguments) Julie Flint, Alex de Waal

The humanitarian tragedy in Darfur has stirred politicians, Hollywood celebrities and students to appeal for a peaceful resolution to the crisis. Beyond the horrific pictures of sprawling refugee camps and lurid accounts of rape and murder lies a complex history steeped in religion, politics, and decades of internal unrest.

Darfur traces the origins, organization and ideology of the infamous Janjawiid and other rebel groups, including the Sudan Liberation Army and the Justice and Equality Movement. It also analyzes the confused responses of the Sudanese government and African Union. This thoroughly updated edition also features a powerful analysis of how the conflict has been received in the international community and the varied attempts at peacekeeping.
