The Tale of the Body Thief (Vampire Chronicles) Anne Rice

In another feat of hypnotic storytelling, Anne Rice continues the extraordinary Vampire Chronicles that began with the now classic **Interview with the Vampire** and continued with **The Vampire Lestat** and **The Queen of the Damned**.

Lestat speaks. Vampire-hero, enchanter, seducer of mortals. For centuries he has been a courted prince in the dark and flourishing universe of the living dead. Lestat is alone. And suddenly all his vampire rationale--everything he has come to believe and feel safe with--is called into question. In his overwhelming need to destroy his doubts and his loneliness, Lestat embarks on the most dangerous enterprise he has undertaken in all the danger-haunted years of his long existence.

The Tale of the Body Thief is told with the unique--and mesmerizing--passion, power, color, and invention that distinguish the novels of Anne Rice.
