## **Bisexual Homosexuals and Homosexual Heterosexuals: How Do You Swing And Why? (Special Reports By Kyle Phoenix) (Volume 1) Kyle Phoenix**

Special Reports by the publishing digital/print industry have historically come to be in the size of just approximately 10 pages on the titled topic with “books” obviously being more. My aim within the design of the Kyle Phoenix Special Reports is to expand the informational content each Special Report contain and create a substantial addendum to each Special Report of thousands of pages---included and linked to. First I do that by the inclusion of informational Add Ins. The purpose of the Add Ins is one, the wide expanse of men these Reports go out to in paperback and digital form not always being at the same resource levels in life but striving for growth. This allows for a multi-faceted product that provides a deeper engagement on multiple issues then just the titled work; two, the edification of men of color who may come across them; and thirdly, to precipitate and encourage discussion within the individual, within friendships, relationships or small groups of men around good, useful, accurate information. Lastly, it also allows the Special Reports to be available in a wider venue of online and offline locations where men can find them. In the print and digital editions you will also find that I have included links to: o Over 100+ relationship, sexuality and financial online videos; o Hundreds of articles on sexuality, race, finances, relationship skills and strategies o Larger non-profit, governmental, entrepreneurial and financial institutions of use to the individual and the community; o Descriptions (and useful glossaries) on how to apply them into your life. o The Liberation List, an ever expanding linkage to books on cultural, sexuality, history and finances from a multi-cultural point of view. My aim being more useful, good, accurate value and content for your money and more uniquely that the items you buy, go through a metamorphosis over time. Each product’s internal linkage system means that it is continuously connected to free updates through all of the other venues. Without affecting the industry’s design and pricing structure I hope to take advantage of technology for the benefit of the community to deliver one product, that is essentially a hundred-in-one, thousands of pages accessible through one product, that keeps expanding (into more videos, more articles, more content) over time and that such a wealth of information gives, to many areas of your life, not simply the Special Report’s titled focus, allowing it to become a continuous resource in your personal library for yourself and others. Using the latest in science, research and surveys, Kyle Phoenix, a teacher and educator, TV talk show host and author of the books-Pleasuring Tops Bottoms and Versatiles, Multiple Orgasm Training for Men, and Good Men For Men has condensed vital information for men into a easily readable and informative Special Reports that will answer the questions you have and most importantly a few you didn't know that you have. Your natural inclinations, thoughts and experiences are valid no matter your age, gender or race and this report outlines why. Specifically focusing on how race and culture are affected and influenced by society and what a person would look and feel like with a broader understanding of themselves, Kyle Phoenix brings years of working with thousands of men, answering thousands of emails from around the world (from his blog and YouTube videos) to clarify exactly what's going on. This Special Report will: Help you see how your race/cultural background affects and effects your sexuality. Help you define your sexuality Help you define and understand the sexualities of others Provide you with information and resources about ways to have better and more satisfying sex
