Bittersweet

Drew Lamm

Bittersweet Drew Lamm

Taylor has always thought of herself as an artist, never lacking ideas or creative energy. But when her beloved Grams, who has raised her from infancy, suffers a stroke, Taylor's world is shaken. People she thought she knew suddenly assume confusing new identities. Worst of all, her artistic ability deserts her—and if she isn't an artist, who is she? Since she can't create images on paper or canvas, there seems to be no reason not to paint her own face and body, no reason not to stop talking for a week, or throw the telephone out the window, or make a boutonniere of raw frogs' legs for her prom date. . . . Slowly, Taylor finds her way through the aching grief of Grams's absence and the shifting layers of her emotional reality to a clearer perception of herself, her surroundings, and her connections with others. Poignant, edgy, and irreverent, her voice will resonate with anyone who has had difficulty crossing shaky ground.

From reader reviews:

Juan McCain:

Nowadays reading books be than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book this improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want really feel happy read one having theme for entertaining including comic or novel. The particular Bittersweet is kind of reserve which is giving the reader unstable experience.

Jennifer Wetzel:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is in the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Bittersweet as your daily resource information.

Ronnie Chaney:

Many people spending their period by playing outside along with friends, fun activity using family or just watching TV the entire day. You can have new activity to enjoy your whole day by studying a book. Ugh, do you consider reading a book can definitely hard because you have to take the book everywhere? It fine you can have the e-book, having everywhere you want in your Cell phone. Like Bittersweet which is obtaining the e-book version. So , why not try out this book? Let's notice.

Carmen Bell:

On this era which is the greater individual or who has ability in doing something more are more precious than other. Do you want to become one among it? It is just simple strategy to have that. What you need to do is just spending your time almost no but quite enough to have a look at some books. One of many books in the top list in your reading list is usually Bittersweet. This book which can be qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking upwards and review this guide you can get many advantages.
