Geography Coloring Book

Wynn Kapit, Kapit

Geography Coloring Book Wynn Kapit, Kapit

This educational tool introduces the countries of the world and the states of the United States to students. Through active participation - colouring the maps - students should gain a broader understanding of the material and retain more information. The text is divided into sections, each dealing with a separate continent and containing a political map, a physical map and regional maps of individual countries grouped according to region. Basic facts are covered including: size, populations, government, language, climate and culture. Information, unique qualities, and current events related to individual countries appear on the page opposite the map for easy reference.
