The Light Invisible Robert Hugh Benson

The Light Invisible presents a series of interconnected supernatural short stories by the celebrated and prolific English author Robert Hugh Benson (1871-1914), a member of the famed Benson literary clan. The author's brother Arthur remarked of this volume, "The Light Invisible always seemed to me a beautiful book It was the first book in which he spread his wings, and there is, I think, a fresh and ingenuous beauty about it, as of a delighted adventure among new faculties and powers." Robert Hugh Benson enjoyed a career that lasted little over a decade. In addition to a great many non-fiction works, he authored a series of twenty novels and short story collections that combined a specific moral orientation with an astonishing popularity among the general public of the early twentieth century. As an Anglican and later a Catholic priest, Father Benson was in great demand as a speaker in both England and the United States. The most sensational English convert from the Anglican Communion to Catholicism since John Henry Newman, Benson was a son of the Archbishop of Canterbury. He wrote from a Catholic perspective, but with real understanding and sympathy for the Protestant position.
