This book is specifically designed for men who use online dating sites and who want to get more dates, faster and easier. It outlines tried, tested and refined strategies or "plays" that are easily used or adapted on any potential date's profile. It explains why so many men get it wrong on Online Dating sites and shows you how to take advantage of this to score at an unimaginable rate. It takes you through all the stages you will need to succeed online: It tells you in detail how to write a winning profile. It tells you how to profile women from what they have written online and how assess which plays to use to score them. It tells you how to sequence these plays in a way that ensures maximum success with the most high value single women online. It tells you how to use the different features on many dating sites to your advantage and equally shows you what not to do and what to avoid. It tells you how to structure and write amazing emails that not only get you on a date with her but also build her trust and attraction to you making the first date a much easier play. It tells you how to handle the Instant Messenger It tells you how to handle the crucial phone call, how pre plan what you say and a guide to how to be a good conversationalist that gets you into the end zone and onto a date. This book will get you more dates that you will be able to handle, it will complete revolutionise the way you approach online dating and take out the uncertainty, pain, and disappointment out of it. Some of the plays included in this book are: 1. The let me be your bitch play. 2. The waste of time play 3. The come round and see me 4. The what's cooking in my hot pot play It also shows you how to sequence these plays into a sustained campaign that ensures you score with even the toughest opposition.
