Blood Moon A. W. Gryphon

An ancient line of witches. An undying love. A coming revolution. One woman at the center of it all. London, England. Mysterious. Beautiful. Full of legends and lore. It is home and a safe place for Amelia Pivens Kreutzer. For an ancient society of witch hunters, and practitioners, it is an easy place to go unnoticed. And for Scotland Yard's Denny Carlisle, on All Hallows Eve, when the Full Blood Moon reaches its highest point in the sky, it will become a city of awe and mayhem as the most powerful witch in modern history rises to avenge her lost love and forever end the ancient war among the witches and those who hunt them.
