From Acorns to Oak Trees (Boy) Charles W. Cush

A young boy compares himself to an acorn. They are both small and each is full of potential. While an acorn can grow into a mighty oak tree, the boy daydreams about all of the different things he can grow up to be; like an astronaut, a doctor, a teacher... or even President of the United States!!! With bright illustrations and a compelling story, this book will capture the imagination of any child.
