George Upside Down Meghan McCarthy

George likes lots of things-reading, watching TV, and painting pictures. The only thing is, he likes to do them upside down. Which isn't a problem, for him. It's more of a problem for his parents, his teacher, his tutor, the school nurse, and the principal-to name a few. Finally a meeting is called in the principal's office while George waits (upside down) outside. But what's taking so long? George peeks in and he can hardly believe his eyes. Everyone is upside down! Suddenly being upside down doesn't seem so cool anymore. What's George to do?

Combining Life Saver-bright colors with an appealingly quirky story, Meghan McCarthy somersaults into children's books with this captivating picture book debut.
