Hope on the Horizon Gail Stoewer

Gail Stoewer was born and raised in San Diego, California. Her journey would travel thousands of miles, with no distance covered, until she found the exit to her true purpose and destiny. Gail's course was set by a deep, early love for God, and then a deeper doubt of Him as she circumvented her life as a human here on earth. Gail faced the battles of human existence, as all her identity and meaning were being stripped away. It became evident, during the battles, what the truth really was and its significance. When her road was filled with potholes, detours and human discouragement, Gail discovered who was really in charge and the power they held to change her destiny.
