O1718 - 25 Daily Exercises for Saxophone Hyacinthe E. Klosé

The 25 Daily Exercises for Saxophone by Hyacinthe Klosé has been a best-seller for almost 100 years. These exercises have served as invaluable studies to develop technical control across the range of the saxophone, as well as stamina, tone, and phrasing. Master saxophonist and teacher, Timothy McAllister, provides the first major update of this seminal method. This edition is meticulously edited and includes suggestions and enhancements that bring the time tested Klosé studies into confluence with modern technique practices. This new edition honors the past, but brings these studies to a new generation of saxophonists.
