Ramban: Commentary on the Torah - 5 Volume Set

Rabbi Moshe ben Nachman

Ramban: Commentary on the Torah - 5 Volume Set Rabbi Moshe ben Nachman

Nachmanides interpretations, along with those of Rashi and Abraham ibn Ezra, have served as the basic classical commentaries of Holy Writings throughout the generations.

Rabbi Moshe ben Nachman, Nachmanides(1194-1270), was an outstanding kabbalist, talmudist and spiritual leader in Gerona, Spain. His commentary was praised by The Ari (Rabbi Itzhak Luria).

His penetration analysis both enlightens and inspires. In his work Ramban also expounds a wide range of ethical and philosophical problems, and it has, like Maimonides' Guide for the Perplexed, been the mentor for myriads who have gleaned from it rich treasures of reflection and instruction.

This translation helps to unlock the rich treasures of Ramban's interpretation on the Torah: his approach to Creation, the all-inclusive wisdom found in the Torah, the nature of the human personality, the ethical stature of the Patriarchs, and much more.

Translated and annotated with index by Rabbi Charles Chavel (Does not include text of Pentateuch. English only.)
