This pattern set is the result of an on-line project. It's based on inspirations and colors culled from the urban landscape. There are multiple pattern sections that are strung, added to the previous section, and crocheted into 42" necklaces. Each pattern segment can be used alone, modified, or combined with other segments to build unique ropes. In this book, you will find: • Urban color inspiration • Design and construction tips. • 4 complete projects • 16 pattern sections • 48 pattern repeats • Blank graph paper to copy and use • Adding in thread and invisible closure Just remember that this is a pattern set, not a big bulky bead crochet book. It can and will lead to a multitude of necklace combinations.
