The life we share is more than we can imagine. There is a divinity that we don't always perceive permeating all things. A Hero's Dream is about unveiling the world that we never see. Robert Thomas Gladwin writes to shake you free from the way you view life. In this book, you'll read words that inspire you to see hope and to see the amazing within the ordinary. The world today appears bleak and hopeless. Man has accepted the world's wicked nature, but these poems paint a picture of the human race that shows that, despite our flaws, we still have infinite potential. The beauty of A Hero's Dream is that it dares you to question everything you think you know about life. Then you can look within yourself and find the hero who dwells eternally in all of us.
