Early Christianity Mr Anthony Gajadhar

The name of the book Early Christianity was chosen for my book, because unlike some similar titles which covers only the struggles of the church fathers to establish the church, but I did extensive research on why this was so, this book do not cover only the struggles of the organization till the time of its legality by Constantine, but it covers some of the reasons why the establishment of that organization was resisted by the people of Israel, and especially the Romans until Constantine legalized it, but more persecutions continued to the church leaders , even after it was legalized.
