Existential Therapies

Mick Cooper

Existential Therapies Mick Cooper

What does it mean to practice therapy in an existential way? What are the different existential approaches? What are their strengths and limitations?

Focusing on practical, face-to-face work with clients, the book introduces students to six existential therapies, highlighting areas of commonality and difference, and discusses key figures and their contributions, including Yalom, van Deurzen, Spinelli, Frankl and Laing. It outlines the critical perspectives and key debates, and presents implications for practice, reflection and further reading.

Fully updated to reflect current issues, this book now includes:

- Sections presenting research evidence for each approach
- An extended case study running through the book, demonstrating how different therapies might approach the same case
- Chapter overviews, questions for reflection, and additional case studies of actual existential practice.

From reader reviews:

Margaret Stanley:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each guide has different aim as well as goal; it means that guide has different type. Some people experience enjoy to spend their the perfect time to read a book. They are really reading whatever they take because their hobby is usually reading a book. Consider the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or even exercise. Well, probably you will need this Existential Therapies.

Maria Casillas:

This Existential Therapies is great book for you because the content that is full of information for you who always deal with world and possess to make decision every minute. This specific book reveal it data accurately using great plan word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with lovely delivering sentences. Having Existential Therapies in your hand like having the world in your arm, information in it is not ridiculous one particular. We can say that no book that offer you world in ten or fifteen second right but this e-book already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?

Elizabeth Johannes:

Reading a book for being new life style in this 12 months; every people loves to learn a book. When you study a book you can get a lot of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and also soon. The Existential Therapies offer you a new experience in looking at a book.

William Reyes:
