**Fundamentals of Special Education: What Every Teacher Needs to Know (3rd Edition)** Margaret G. Werts, Richard A. Culatta, James R. Tompkins

*Fundamentals of Special Education: What Every Teacher Needs to Know* gathers into one source the critical information needed to understand students with disabilities. Written to be concise yet complete, it is an essential resource for educators because it provides the basic parameters of each disability area and defines the issues that impact current interventions and practices. This new edition addresses the latest laws in special education (such as the reauthorization of IDEA and NCLB), includes a new chapter on autism spectrum disorders, and contains additional information on collaboration with families and other service professionals.
