Margaret Padua:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
