The aim of the Corporate Governance module is to provide the Chartered Secretary with the knowledge and skills necessary to act as adviser across the private, public and voluntary sectors on all aspects of governance, covering not only legal duties, but also the relevant and recommended standards of best practice. This study text introduces corporate governance and explains its significance and the role of the company secretary in corporate governance awareness and compliance. It includes all aspects of the governance obligations of organisations, the role that the Chartered Secretary plays in implementing corporate governance, and encompasses the most up-to-date changes in legislation, regulation and guidance especially the UK Corporate Governance Code and the Stewardship Code.
