Weber's popularity is almost frightening (particularly to other publishers) as his hordes of readers bombard our website and your stores with demands for more! more! more! And then they start complaining about the first five Honor Harrington novels being available only in paperback. The customer is always right, at least about Honor Harrington, so we now offer On Basilisk Station, the very first Honor Harrington novel, in a special hardcover edition with a pictorial binding. This novel introduced Honor Harrington to science fiction readers and the rest was publishing history.
