**The Children of First Man** JAMES ALEXANDER Thom

"MASTERFULLY RESEARCHED AND WRITTEN, THE CHILDREN OF FIRST MAN IS A FEAST OF A NOVEL. James Alexander Thom's sweeping saga of Welsh colonization in prehistoric America is loaded with wonderful characters and events, some so poignant I had to stop reading now and then to reflect."

--Linda Lay Shuler

Author of *She Who Remembers*

With its beautifully written and deeply felt descriptions of the feelings the first white settlers and Native Americans had for each other, **THE CHILDREN OF FIRST MAN** tells the fascinating story of a European people gradually absorbed into the Amerindian culture until their literacy was lost and their Christian religion submerged in the legend of a Welsh Prince named Madoc, the First Man. Sweeping from the blood-soaked castles of medieval Wales to the landmark expedition of Lewis and Clark, from the hushed beauty of virgin wilderness to Mandan villages of domed earthen lodges, **THE CHILDREN OF FIRST MAN** is a triumph of the storyteller's art.

"TERRIFICALLY ENTERTAINING...A highly imaginative novel that combines an old legend with historical fact to create an epic tale of America starting some three-hundred years before Columbus arrived."

--Booklist
