## Why We Ride: Women Writers on the Horses in Their Lives

Women and their horses — a symbiotic relationship based on trust, camaraderie, friendship, and love. In *Why We Ride*, Verna Dreisbach collects the stories of women who ride, sharing their personal emotions and accounts of the most important animals in their lives.

This collection of stories includes the heartfelt thoughts of a range of women — those who rode as children, those who spent their girlhood years dreaming of owning a pony, and those who have made a lifelong hobby or career out of riding. Each story reveals how horses have made an impact in the lives of these women. With a foreword by best-selling novelist Jane Smiley, *Why We Ride* offers a reflective view on the relationships between women and horses.
