Bullies Behind the Wheel: How Your Reactions to Aggressive Drivers Can Cause Road Rage, or Prevent It! Joel Shorey

2002 Humor Award Winner from the Colorado Independent Publisher's Association!

Most articles and books about Road Rage and Aggressive Drivers accomplish little. They read like textbooks, only telling drivers what not to do, and missing the most important element, attitude.

For a welcome change, pick up Bullies Behind The Wheel. It takes a humorous look at the problems created by Cut-off Kings, Merging Maniacs, and Executroids. You'll learn what Young Studs and other Aggressive Drivers will do on the road before they do it to you. Having this knowledge allows you to react in a way that gives you control instead of them.

This short, entertaining book - written for anyone who drives - evokes two types of responses: readers either recognize their own aggressive actions or they better understand why bullies show aggression on the road. What's a third response to Bullies Behind The Wheel? They put it under the noses of drivers they love who need this book RIGHT NOW!

Professional truck driver Joel Shorey has maintained a perfect safety record while logging more than two million miles throughout North America. This expert shows how to recognize what aggressive drivers are about to do before they can involve you. With wit and humor, he explains how to deal with the frustration that can cause Road Rage. Best of all, he shows you the techniques the professional use so you can stay relaxed and smiling right to the end of your commute.
