There are no safe words. There is only surrender.

When Alice leapt into sexual games with her neighbors Henry and Jay, she didn't plan to fall in love. She sure didn't expect she'd be the switch between Henry's commanding mastery and Jay's submissive playfulness. But now she's moving in with them, and she'd better figure it all out – fast. Trouble is, she's never been a live-in girlfriend. The day after a traumatic first night at a BDSM club might not be the best time to start. Struggling to find her place within the lifestyle, Alice seeks equality in a relationship built on surrender. Learning to lean on Henry challenges the foundation of her self-worth. He'll have to lean on her in return for their triad to find stability. But can her stoic dominant lover accept her as a confidante as well as a submissive? And will their love be enough to silence Jay's emotional ghosts?
