The Priceless Movement has been part of the band For KING & COUNTRY from the beginning, reminding women of their worth and encouraging men to respect and honor them. This novelization of the major motion picture Priceless, created by brothers Joel and Luke Smallbone, tells the story of James Stevenson (played by Joel), a man thrown into the dark world of human trafficking. Can the love, strength, and faith of a woman change the course of his future? Will he risk his life to rescue her and show how much she's worth fighting for?
