Land of Living Rock: The Grand Canyon and the High Plateaus : Arizona, Utah, Nevada C. Gregory Crampton

Land of Living Rock is a historical portrait of one of the most beautiful places in the world. It extends from the Pink Cliffs of Utah south across and beyond the Grand Canyon to the San Francisco Peaks of Arizona, and from Lee's Ferry and Lake Powell west to Lake Mead and Las Vegas in Nevada. It is the southwestern extremity of the Colorado Plateau and adjacent areas; it is the masterpiece of the Colorado River.

Magnificently illustrated, this volume brings into focus the full splendor of the canyon-sculptured wilderness. Gregory Crampton describes the geographical and geological unity of the region, makes clear the prehistoric forces that shaped the uniquely extravagant landscape, and shows how the Grand Canyon country--the Land of Living Rock-- has dramatically shaped the forces of history.
