Think you know everything about Peter Parker? Think again! Expect action, adventure and hilarity in equal measure as we head back to high school to explore Pete's early days! Modern talent combines with the classic Marvel flavor to present the web-slinging wonder's younger years in truly amazing, spectacular, sensational style. It's a return to the hassles of overdue homework, not knowing how to talk to girls and a never-ending merry-go-round of madness courtesy of the best rogues' gallery in comics, each one more incredible than the last. You'll love watching Spidey tangle with Doctor Octopus and dig Sandman, the walking beach. With these and more faces from Peter's past -both familiar and surprising figures -you'll remember what made Spider-Man the world's greatest hero in the first place!
