**The Moment of Change** Ursula K. Le Guin, Delia Sherman, Theodora Goss, Greer Gilman, et al.

*The Moment of Change* is an anthology of feminist speculative poetry. The contributors include many fine poets, among them Ursula K. Le Guin, Delia Sherman, Theodora Goss, Amal El-Mohtar, Vandana Singh, Nisi Shawl, Greer Gilman, Sonya Taaffe, Athena Andreadis, Jo Walton, and Catherynne M. Valente. Editor Rose Lemberg writes in her introduction that "Literature of the fantastic allows us to create worlds and visions of society, origins, social justice and identity, but notes that even though we are in the world, our voices are folded into the creases. We speak from memory of stories told sidewise. We speak from pain; is that serious enough? The world has not been welcoming, but what other world is there?"

"In these pages," Lemberg summarizes, "you will find works in a variety of genres--works that can be labeled mythic, fantastic, science fictional, historical, surreal, magic realist, and unclassifiable; poems by people of color and white folks; by poets based in the US, Canada, Britain, India, Spain, and the Philippines; by first- and second-generation immigrants; by the able-bodied and the disabled; by straight and queer poets who may identify as women, men, trans, and genderqueer."
