Is your art show schedule a pile of papers and a stack of notes? Have you ever arrived at an art show venue only to realize the show is NEXT weekend? If you show at even a couple of events per year, this planner is for YOU. Hi there. My name is Loretta Alvarado, and I'm a professional artist and crafter. My own show schedule used to be very disorganized. I got dates wrong. I did shows without allowing enough time in between to recuperate. I found myself spending more time trying to remember WHERE I put my notes than in BENEFITING from USING my notes. I developed this planner so I wouldn't KEEP MAKING these mistakes. In the pages of this book you will have an easy, convenient, single place to keep all of your show information. It has monthly calendars where you can keep track of your shows. And, it has pages to record notes, observations and other pertinent information for up to 37 shows. Using my planner has saved me hours of stressing, searching, researching and regretting. I believe it will help you too.
