Doctrine of the Will Asa Mahan

THE doctrine of the Will is a cardinal doctrine of theology, as well as of mental philosophy. This doctrine, to say the least, is one of the great central points, from which the various different and conflicting systems of theological, mental, and moral science, take their departure. To determine a man's sentiments in respect to the Will, is to determine his position, in most important respects, as a theologian, and mental and moral philosopher.
