## **Kenya's Souls** Shane Farnell

Cameron Oniell is unprepared when his plane touches down in Nairobi. Having signed a two-year contract as a site construction manager to build a pipeline in the town of Kisumu, he leaves behind his two young children and comfortable life for an adventure he'll never forget. Recently divorced, Cameron sees this as a chance to improve his career and build a new life.

What he discovers is a new world. People struggling to get ahead, no matter what life hands them. In this new environment, Cameron encounters spitting snakes, malaria, monsoons, and machete-armed robbers as he struggles to finish the company project. Fighting back the feeling of being marooned on the other side of the world, Cameron is left with enough memories to last a lifetime.

Based on the author's own travels, *Kenya's Souls* beautifully captures the curiosity and awe of experiencing for the first time the world beyond our own.
