- Fury has come to the border town of Arwyll Stead! Life on the fringes of orc-ruled Belkzen has never been easy, but since the last member of the Arwyll family was murdered things have become even more desperate. Orc-blooded terrors are killing the town's defenders and threatening to lay siege, devils fly overhead, and the only half-orc who might know the secret of these nightmarish new invaders has been struck mute. Can the PCs manage to both keep the town from erupting into panic and discover what is behind the horrifying rash of infernal attacks?
