Return of Love to Planet Earth: Memoir of a Reluctant Visionary with Glossary Nina Brown

Nina Brown's illuminating narrative, *Return of Love to Planet Earth: Memoir of a Reluctant Visionary*, describes her voyage as she ascends to the highest frequencies of love using the secrets of S.T.A.R.: surrender, trust, allow, and receive. Her ten-year alchemical journey illustrates for each one of us the simple yet challenging path to our own spiritual ascent.

At once a remarkable memoir and an inspiring guide, this book provides:

· * The truth about triple dates—01/01/01 to 12/12/12—and their role in humanity's ascension · * Diverse theories about changes in human consciousness and how to welcome them · * A comprehensive glossary of esoteric terms such as “ascended masters,” “crystalline grid,” and “DNA recoding” · * Information on how to embrace our inherent divinity and consciously enter the Age of the Golden Dolphins
