Best friends Kari and Lucas are thrilled to go on safari in Africa. They're fascinated by the lions, giraffes, and zebras. Even more intriguing to Kari is the cave where her uncle and other archaeologists have discovered artwork from thousands of years ago. But when some of the ancient artifacts are stolen, Kari and Lucas are thrust into an art mystery as compelling as any they've faced before-only, surrounded by wild animals, far more dangerous.

Fast-paced writing, suspenseful action, spunky protagonists, and a fascinating African setting combine for another winning Kari and Lucas mystery.
