The Armenians in Jerusalem and the Holy Land (University of Pennsylvania Armenian Texts and Studies)

The Armenian presence in the Holy Land can be traced back to Christianity's first centuries. The first monastery there was established by an Armenian, St Euthymius. It has been prominent and sustained through all the vicissitudes of this stormy country and the Armenian Quarter is an integral and distinctive part of Jerusalem's Old City today. This long history has created a unique form of Armenian life and language. The Armenians in Jerusalem and the Holy Land assembles essays by the world's leading authorities on numerous aspects of this ancient, richly traditional community. The essays were prepared on occasion of the thirtieth anniversary of the program in Armenian Studies at the Hebrew University of Jerusalem.
