Once there, she's forced to become a sex slave to princes Jarrett and Colton, but quickly gives her heart to them as well as her body. Jarrett and Colton are descended from one of the true kings of Ashdown. They belong to an elite group of princes who use the magick of the erotic paintings discovered centuries ago to lure women into their world for their unique sexual perversions. But as they take what is their birthright from Abigail, each man loses his heart to her in the process. When an ancient threat from Ashdown's enemies turns out to be within their castle walls, Jarrett and Colton become deadly pawns in a race against politics and time to save the woman they love. \*\* A Siren Erotic Romance
