Immediatism

Hakim Bey

Immediatism Hakim Bey

An irresistible tome from the insurrectionist theoretician, Hakim Bey. His incendiary words are beautifully illustrated by the renowned collage artist Freddie Baer. The result is a delightful compilation by two talented artists. A must read for those who have followed their work for years. In this collection of essays, Bey expounds upon his ideas concerning radical social reorganization and the liberation of desire. *Immediatism* is another lyrical romp through intellectual corridors of spirituality and politics originally set forth in his groundbreaking book, *TAZ*. A stunning achievement from this prodigious author and scholar.

"A Blake Angel on Acid."—Robert Anton Wilson

"Fascinating..."—William S. Burroughs

"Exquisite..."—Allen Ginsberg

From reader reviews:

Robert Ross:

The book Immediatism can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Immediatism? Wide variety you have a different opinion about book. But one aim which book can give many data for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or details that you take for that, you can give for each other; you can share all of these. Book Immediatism has simple shape but you know: it has great and big function for you. You can look the enormous world by start and read a publication. So it is very wonderful.

Silvia Doucet:

In this 21st one hundred year, people become competitive in each way. By being competitive today, people have do something to make these survives, being in the middle of the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Yep, by reading a reserve your ability to survive increase then having chance to remain than other is high. For you personally who want to start reading any book, we give you this specific Immediatism book as starter and daily reading e-book. Why, because this book is usually more than just a book.

Jamie Durbin:

Is it an individual who having spare time subsequently spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Immediatism can be the response, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Helen Christopher:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book but in addition novel and Immediatism or even others sources were given information for you. After you know how the good a book, you feel would like to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to bring their knowledge. In various other case, beside science book, any other book likes Immediatism to make your spare time considerably more colorful. Many types of book like this.
