Sexy Girlfriends Absolute Amateurs First Last

The debut of Goliath's new series of books by amateur photographers: absolut amateur. Today, a large part of all information is conveyed via images: film, T.V., illustrations and the thirty billion photographs taken each year by amateurs. Amateur photography -- as Goliath understands and represents it -- is not a dilettante hobby ridiculously competing against professional photography, but a folk art with its own integrity. The concept -- makeshift, unselfconsciously naive color choices and composition-- has shaped its own style which fashion and advertising have co-opted to great advantage. In English, Deutsch, Francais, Espanol and Italiano.
