Smither's Mammals of Southern Africa: A Field Guide Peter Apps

This is the latest update of the Smithers' field guide to Southern African Mammals. It includes the latest research results from the African bush, and the newest species names and classifications, all written in non-technical language. With full color illustrations, distribution maps, tracks and scale drawings, and descriptions of appearance, size, habitat, diet, life history, behaviour and conservation, it is the most detailed and accurate southern African mammals field guide available, and will be useful to everyone from game viewing safari-goers to professional wildlife guides. This is the mammals guide for people who are serious about wildlife.
