**Still Standing: The laws that no man can change** Ruel Fordyce

GETTING RID OF THE MISCONCEPTIONS ONCE AND FOR ALL! Synopsis: “Still Standing: The laws that no man can change” is a thorough Bible study guide that establishes the validity of God laws. The reason why we were created finds its basis in God’s Law. King Solomon got it right when he said the whole duty of man is to fear God and keep his commandments. Men will attempt to change it but in the end they will see why these laws cannot be changed. The Problem: Many question the validity of the Bible and thus question the validity of God Laws. Yet, when we examine the laws of our land most have bearing to God’s Laws. History shows that men have tried to change God’s law. Yet, with every change the society and the world at large has gotten worse. Solution: If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 2 Chronicles 7:14 (KJV) Pros: Uses the New Testament to: • Confirm the validity of the Ten Commandments • Show that Jesus and the prophets upheld the Ten Commandments • Show that God’s law has not changed • Call us back to our true purpose of worshiping God and keeping his laws Cons: • Does not use science to confirm that God’s law still applies to all mankind THIS BOOK IS FOR YOU!!!
