Strategic Inventions of the French Revolution (Tech in the Trenches (Group 2)) Jeri Freedman

The French Revolution was inspired by the American Revolution. Having seen that one nation could break free from a monarchy, the French took heart and launched their own attempt. This was a time of great invention as well as great horror, ultimately leading to a new government. Strategic Inventions of the French Revolution delves into the conflicts history and examines the most innovative developments of the era among them the dreaded guillotine.
