The Donor

Frank M. Robinson

The Donor Frank M. Robinson

Dennis Heller wakes up in a small private hospital after a minor car accident to discover that one of his organs is missing. Worse yet, he soon learns that this is the *second* organ to be harvested from him. Now Dennis must run for his life. Clearly, someone, somewhere, is a close match for him--and is powerful enough to steal Dennis's organs for transplant purposes. The next time, Dennis might lose his heart or lungs. He won't wake up after that . . .

Rivaling the best work of Robin Cook and Michael Crichton, *The Donor* drags the frightening reality of modern-day organ theft into the cold light of day.

From reader reviews:

Dianna Chrisman:

The book The Donor make you feel enjoy for your spare time. You need to use to make your capable much more increase. Book can being your best friend when you getting pressure or having big problem using your subject. If you can make looking at a book The Donor to become your habit, you can get much more advantages, like add your own capable, increase your knowledge about several or all subjects. You may know everything if you like open and read a reserve The Donor. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other individuals. So , how do you think about this reserve?

Marylou Arroyo:

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these people survives, being in the middle of the actual crowded place and notice through surrounding. One thing that often many people have underestimated the idea for a while is reading. Sure, by reading a reserve your ability to survive enhance then having chance to endure than other is high. In your case who want to start reading a book, we give you this kind of The Donor book as nice and daily reading book. Why, because this book is greater than just a book.

Joyce Hynes:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Donor can make you really feel more interested to read.

Stephen Morgan:

Many people said that they feel uninterested when they reading a reserve. They are directly felt it when they get a half portions of the book. You can choose often the book The Donor to make your own reading is interesting. Your skill of reading talent is developing when you including reading. Try to choose straightforward book to make you enjoy to learn it and mingle the opinion about book and reading especially. It is to be first opinion for you to like to wide open a book and examine it. Beside that the publication The Donor can to be your brand new friend when you're truly feel alone and confuse with the information must you're doing of this time.
