Don't Call Me Grandma!: A Guide for the 21st-Century Grandmother Ilene Leventhal

To most people, the very word *grandma* conjures up images of old, blue-haired women in a flower-print apron and wearing sensible shoes in the kitchen, baking cookies. But times have changed.

In her book *Don't Call Me Grandma! A Guide for the 21st-Century Grandmother*, author Ilene Leventhal dispels the stereotype of the so-called typical grandmother. Today's grandmother is so much more. They are socially active and even text and e-mail. They bring a whole new definition of cool, proving once and for all that some things never go out of style. *Don't Call Me Grandma!* is a handbook for the new generation of grandmothers, as well as mothers and even mothers-in-law. Blue hair has been traded for younger cuts, our baking for trips for fun fast food, and the flower-print aprons for tennis skirts, matching tops, and cute boots.

Don't Call Me Grandma! A Guide for the 21st-Century Grandmother shows how to break out of that "old" image, and still bake cookies if you want. You can become someone who knows how to relate to her grandchildren. Your grandchildren will never think of you simply as "grandma" ever again.

From reader reviews:

Harold Froelich:

What do you ponder on book? It is just for students since they're still students or that for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has distinct personality and hobby per other. Don't to be compelled someone or something that they don't need do that. You must know how great along with important the book Don't Call Me Grandma!: A Guide for the 21st-Century Grandmother. All type of book could you see on many sources. You can look for the internet resources or other social media.

Suzanne Macdougall:

Reading a e-book tends to be new life style with this era globalization. With studying you can get a lot of information that can give you benefit in your life. Having book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Don't Call Me Grandma!: A Guide for the 21st-Century Grandmother.

Elizabeth Black:

Exactly why? Because this Don't Call Me Grandma!: A Guide for the 21st-Century Grandmother is an unordinary book that the inside of the book waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the e-book store hurriedly.

Ronald Cauty:

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Don't Call Me Grandma!: A Guide for the 21st-Century Grandmother can make you sense
