Maya the cow, J.D. the piglet, Hilda the sheep, and a dozen more animals all speak directly to the reader, showing off their unique personalities in this wonderful collection of poems. Master watercolorist Robert Rahway Zakanitch provides a portrait that perfectly captures the essence of each creature. Together the poems and paintings add up to a picture of life on the friendliest farm around.

Maya Gottfried based her poems on real animals from Farm Sanctuary, a safe haven for injured or abused farm animals with locations in New York and California.
