Response to Intervention (The Naughty Teachers Series) (Volume 4) Jamie Jones

An upscale, corporate beautiful blond teacher... Carolyn Carmichael has completed her master's degree and landed a job as a reading interventionist. She's determined to get reading scores up and make her mark as an educator. She never dreamed she'd be getting something else up in the process. A brawny, blue-collar school custodian... DaShon Turner is a hard-working single-dad, trying to provide for his young son. His assignment at the school is temporary, although he knows he is doing a good job and will be considered for a full-time position. He wasn't expecting to become so distracted by the sexy new hire. An empty classroom early in the morning... The spark was ignited the moment they met. They do their best to avoid one another, but chemistry is far stronger than will power. When they find themselves alone one morning, long before the rest of the staff arrives, their passion cannot be contained. What they don't know is if their liaison will be discovered, and what could be the consequences to their careers.
