The Right Way to Play Chess

David Pritchard

The Right Way to Play Chess David Pritchard

Since its first publication in 1950, *The Right Way to Play Chess* has taught chess to generations of beginners, taking them to the standard expected of good club players. It gives full details of exactly how to play the game, explains basic theory and includes many examples of play. There are separate chapters on the openings, middle and end games, plus a chapter of master games which illustrate how styles of play have changed over the years. Fully revised and updated by chess expert Richard James, a new chapter shows how to encourage and teach children to play the game.
