Novelists Jonathan Moss and Sage Merriweather should be a perfect match. They share not only the same publisher but also a deep friendship full of mutual respect and encouragement. But when an ill-fated attempt at taking their relationship to the next level fails in spectacular fashion, it appears as though that once-treasured bond is doomed for good.

One year later, however, the duo gets a chance to salvage their relationship when Jonathan invites Sage on a do-over road trip from Phoenix to Tacoma—the same trip that ended before it began the year before.

Reeling from the sudden death of her estranged father, Sage finally agrees, and the two embark on a journey that will change their lives forever. As the pair moves ever closer to the truth about their feelings, both Jonathan and Sage have to decide what they really mean to each other...or risk losing it all.
