Fairways and Greens

Dan Jenkins

Fairways and Greens Dan Jenkins

"Tell me about plumbing, fine. Tell me about carpentry, terrace gardening, the timer on VCRs. Go ahead and explain cellophane. Tell me about all of these things, but don't try to tell me about golf, okay? Golf I know."--Dan Jenkins

After four decades of covering golf-not to mention "playing scratch from the blues and gambling for my own money when I didn't have any", Dan Jenkins most definitely knows golf. He may, in fact, know the game better than anyone on the planet. Now, his latest and long awaited collection brings together his best writing on the game, from serious pieces on timeless classics like the 1954 Masters and the 1960 Open to humorous takes on everything from the best things in golf-the best bar is Club XIX in the Pebble Beach Lodge-to his unrequited love of golf carts. With a cast that includes everyone from Hogan, Palmer, and Nicklaus to all of the lurkers and spoilers on the PGA Tour, the book is a timeless addition to great golf literature.

From reader reviews:

Ruth Haakenson:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each e-book has different aim or perhaps goal; it means that reserve has different type. Some people really feel enjoy to spend their a chance to read a book. These are reading whatever they take because their hobby is definitely reading a book. Consider the person who don't like looking at a book? Sometime, man or woman feel need book after they found difficult problem or even exercise. Well, probably you'll have this Fairways and Greens.

Thomas Kelly:

What do you ponder on book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book Fairways and Greens. All type of book would you see on many options. You can look for the internet solutions or other social media.

Terrie Newlin:

That reserve can make you to feel relax. This particular book Fairways and Greens was bright colored and of course has pictures on there. As we know that book Fairways and Greens has many kinds or genre. Start from kids until young adults. For example Naruto or Private eye Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading that.

Brian Hill:

What is your hobby? Have you heard that will question when you got college students? We believe that that question was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. So you know that little person such as reading or as examining become their hobby. You need to understand that reading is very important as well as book as to be the matter. Book is important thing to provide you knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. Amount types of books that can you choose to adopt be your object. One of them is actually Fairways and Greens.
